

EVENT BROCHURE OF THE 2ND NATIONAL HEALTH SUMMIT ABUJA 2019

Invitation to the 2nd National Health Summit (NHS) Abuja 2019

It is my pleasure to invite you to the 2nd Nigeria Medical Association (NMA) National Health Summit (NHS) 2019, on behalf of the Local Organizing Committee.

The National Health Summit (NHS) will run concurrently with the Commonwealth Medical Association (CMA) Triennial Conference, which will feature the investiture of one of our own, a Past President of NMA, Dr Osahon Enabulele. The National Health Summit (NHS) will be preceded by the Commonwealth Medical Association (CMA) Triennial Conference.

Delegates' arrival will be on the 3rd of November 2019, while the Executive and Council meeting will take place on Monday 4th November 2019, at the Hawthorne Suites and Apartment, Area 11, Garki.

The CMA and NHS will have same opening ceremony at the main venue of the event; the International Conference Center (ICC), Abuja which will hold on Tuesday 5th of November, 2019

The National Health Summit will span from 4th to 8th November 2019.

The Theme of the Summit is: PATIENT CENTERED CARE, while that of the Commonwealth Medical Association (CMA) Conference is: FAST TRACKING THE ATTAINMENT OF UNIVERSAL HEALTH COVERAGE IN THE COMMONWEALTH: The place of the Commonwealth Medical Association (CMA) Social Health Enterprise.

National Health Summit (NHS) is the brain child of the Nigerian Medical Association (NMA) which had its maiden edition in January 2013. It is the biggest event of the Nigerian Medical Association (NMA) that takes place every 5 years.

The aim of the National Health Summit (NHS) is for all Stakeholders in the Health Sector to deliberate together, identify the challenges of the Health Sector in Nigeria and proffer solutions to them with the ultimate aim of getting the Government of the day to implement them, hence, fostering the delivery of quality and affordable Healthcare to all Nigerians.

This iconic event promises to be impactful and will be in the form of Plenary, Pannel and Parallel Sessions with discussion of related topics in the break out sessions .

The Scientific Subcommittee has worked tirelessly to select erudite scholars and egg-heads who are known specialists in these topics. There also will be exhibitions and presentation of current and latest scientific products.

In the course of this event, there shall be opportunity to tour the beautiful city of Abuja, with visits to beautiful scenes and sites which the FCT is endowed with. There will be variety night on the evening of (add day and date) to savour the night and exciting life in Abuja.

It is our belief that at the end of this eventful summit, the Nigerian Health Sector, will subsequently change for the better with significant improvement in our country's health indices and the global health space.

We look forward to having all our critical partners and major stakeholders in the healthcare sector of our dear nation

Thank you.

Dr Ekpe Philips Uche
Chairman, LOC
